FOREWORD...

During the past several years the gremlin and other similar creatures have gained a greater prominence throughout the world; however, the American Indian race of the gremlin has been in existence at Waite High School for many years. This year these little characters have left their former places of seclusion and have finally penetrated into the annual itself. We of the staff of the "Purple and Gold" hope that you will enjoy and often refer to this collection of the ramblings and varied experiences of our mischievous and ever-present little friends.

DEDICATION...

Although Miss Cecile Vashaw has been at Waite but a short time, actually five years, she has, during that time, established herself as one of the best liked and competent members of the faculty. Under Miss Vashaw's supervision, the Waite band has risen from mediocrity to one of the foremost bands in the state, the present band having played, by request, at several important civic and sports events.

A graduate of New York University, Miss Vashaw taught at Elmore, Ohio, and various Toledo schools before coming to Waite. On her arrival at Waite she was in charge of the band and the orchestra, but soon the glee club was put under her direction. The choir, which was originated and developed by Miss Vashaw, sings at churches and many religious programs. Several years ago she wrote the music for Waite's Alma Mater. Besides her direction of the 210 students which compose the music department, she plays in several musical organizations including The Toledo Friends of Music and Mu Phi Epsilon. Much of her time is also spent directing Waite's music organizations at their outside performances.

The 1946 Staff of the "Purple and Gold" is proud to dedicate this 32nd edition of the annual to Miss Vashaw.

Mr. Philip H. Conser
Principal

Philip H. Conser

Miss Marguerite Griffith
Dean of girls

Mr. Fred Klag
Dean of boys

Fred W. Klag.

Principal

The position of principal is a composite of several separate jobs including speaker, teacher, and counselor. The difficult position at Waite is ably filled by Mr. Philip Conser who, besides performing his regular duties, take time out to be a real friend to each student.

Deans

If you have troubles or a problem, you need merely to go to room 206 to see our two deans, Mr. Fred Klag and Miss Marguerite Griffith. Their jobs as full time deans are to be advisors to the student body on personal problems, give helpful advice, and provide inspiration and guidance to any who need it.

Senior Class

After four years of climbing, the Seniors of "'46" have finally reached the top. Their future lies ahead, but their school days will never be forgotten.

In the future they will look back to the year of "'46" and recollect the memories of the Senior Prom and Banquet which was held January 25 at the Woman's Building. In addition to this, the baccalaureate service June 2 and commencement exercises June 6 will not be forgotten.

The Senior Class wishes to thank Miss Marion Hart for her helpful counsel during this, their last

The Senior Class wishes to thank Miss Marion Hart for her helpful counsel during this their last year at Waite High School. Thanks and appreciation is also extended to Miss Isabella Houk for her assistance to the commencement and baccalaureate committees.

Junior Class

The activities of the Junior Class this past year have kept any would-be slow pokes on their toes. Two one-act plays were given: "For Whom the Telephone Rings" and "High School Daze." The class gave a skating party and sponsored a football mass meeting. Of course you went to the J-Hop, and if you're lucky enough to be a Junior you sported a shiny new ring——so much excitement you're reluctant to become a senior. Miss Mildred Cowell, worthy advisor, kept things humming.

IN MEMORIAM

"So live, that when thy summons comes to join
The innumerable caravan, which moves
To that mysterious realm, where each shall take
His chamber in the silent halls of death,
Thou go not, like the quarry-slave at night,
Scourged to his dungeon, but sustained and soothed
By an unfaltering trust, approach thy grave,
Like one who wraps the drapery of his couch
About him, and lies down to pleasant dreams."

CLUBS

National Honor Society

Membership in the National Honor Society represents a culmination of endeavors in Scholarship, Leadership, Service, and Character. In order to gain membership in this organization, students must qualify in all these things, and be selected both by the faculty and the members. After induction, members are permitted to wear the coveted flaming torch and keystone shield, emblem of the group.

The first semester induction service was held November 15, 1945. The deserving seniors who were inducted at this time heard a very capable speaker, Reverend Paterson, of Point Place Congregational Church. The April induction presented Reverend Mayer of Epworth Methodist Church as guest speaker who gave a very inspirational message.

Each year the Honor Society holds recognition services for the students of Waite who have done outstanding work. It also gives a scholarship to some worthy senior. As a means of raising money for this scholarship, two programs were given. "Information Please," the student quiz on December 10, had Russell Perry of WTOL as master of ceremonies. March 7, Bob Evans of WSPD quizzed the teachers.

At a Hallowe'en party in the library, the club entertained the officers of the Clay High School chapter. Games and refreshments provided a good time for all.

The club wishes to thank its very able advisors, Miss Mildred Burns and Miss Gertrude Moore, for the assistance they have given throughout the year.

Student Council

The fundamental purpose of the Student Council is to work for the welfare of the student body.

Paul Weiss, possessing the patience and fortitude necessary for the presidency of the Council, presided at all the meetings. Twice a month the entire Council held meetings where ideas were discussed. This year the most important issue up for debate was the point system regarding the officers of the organizations at Waite. After two months of discussion, it was finally agreed upon to revise the point system and take steps to enforce it.

The directors of the Council were kept busy discussing problems concerning student welfare at their semi-monthly meetings, to be presented to the Council for consideration. An attempt was made to eliminate faculty supervision in the refectory, but after a meeting of the student body the idea was dropped. A suggestion box was also set up in the office for the purpose of receiving written student suggestions which were discussed at the directors' meetings.

The principal social event of the year was a hayride and roast held at Pearson Park and Ottawa Park respectively. Mrs. Victoria Canfield again served as faculty advisor for the Student Council.

Annual Staff

It is harder than you think—this job your annual staff has of arranging and selecting the best of a diversified array of materials such as mounting pictures; making layouts, write-ups, page headings and identifications; checking activity lists of names and committees; and deciding the theme for the object of their perfection. To Miss Maxine Cosgray, our literary advisor, we wish to say "thanks" for her inspiring supervision and desire for perfection.

To the two students who comprise the art staff goes the job of working out and carrying through the ideas of the editorial staff in drawing division pages, cartoons and pictures in various places throughout the book. We "tip our feathers" to our art editor, Jess Schnell, and his able assistant, Al Hepler, for their fine work in this department.

Working on senior names are Joyce Anspach, Pat Robarge, Phyllis Newmeyer, and Lois Gaffney

Merry times also came along with the activities of the year which included the roast at Side-Cut Park October 20; the presentation of a scene in a harem at one of the DeVilbiss football mass meetings; and the Tri-Lit Dance given at the Hotel Secor February 22.

At the business meeting, current novels and best sellers were reviewed this year by the seniors. Some of these books were "Leave Her to Heaven" by Ben Ames Williams, "Cass Timberlane" by Sinclair Lewis, and "Brave Men" by Ernie Pyle.

The spring activities included the enjoyable afternoon at the annual mother's tea and the formal banquet in May.

Gratitude and appreciation is extended to our ever-helpful advisors, Miss Maxine Cosgray, Miss Mildred Cowell, and Miss Norma Wintermantel, for their willingness to solve the problems, give counsel, and help us to have our happy times.

Did you ever notice those little men walking along in the halls with bundles of books under their arms? They belong to our genius rival the Q. D.'s. Did you ever notice those rugged men of brawn, clad in their colorful and new green Forum sweaters, walking along with a few books in their hands? They belong to the mighty Forum Literary Society.

Adding zip and pep by means of a thundering mass meeting which featured a Western Bar scene, the Forum helped our great team along to an undefeated season. During October, initiations produced a great many aches, stomach and otherwise, but the young Forum pledges weathered everything in order to enter the club. All was forgiven when a roast was held at Pearson Park for all old and newly acquired members.

Fired by enthusiasm and past defeats, an inspired Forum team toppled a valiant Q. D. football team from the ranks of the once great by a score of 26-6. At last, a Forum team was able to match and overcome its opponents eleven. Our success was furthered when our starting five defeated the Q. D.'s by the score of 30-15 in the annual basketball game.

At last, since the termination of the war, we were able to obtain the long awaited Q. D. pins, which were purchased for this and last year's seniors from the treasury.

An aggressive but highly outweighed Q. D. eleven was defeated by the Forum in the traditional gridiron fray 26-6. The sports rivalry between the two clubs ended when the Forum also defeated the Q. D. five in the annual basketball game 30-15. We are looking forward to next year to avenge these setbacks.

The theme which the Zetaletheans chose this year was "New England." Some of the books reviewed at the semi-monthly meetings were "Farmer Takes a Wife," by Gould and "January Thaw," by Partridge. The member who gives the report is awarded the Zet Locket until the next meeting.

It is not only a great privilege, but an honor to be a member of the Waite High School band, which, under the efficient and untiring efforts of Miss Cecile Vashaw, has gained fame and prominence not only in the city but also in the state.

The most important of the many extra curricular performances the Waite band put forth during the 1946-47 season were playing for the News Boys' parade, opening of Woodville Road, spryly strutting at the Detroit Briggs Stadium, participating in all State Board Musical Convention in Cleveland, and the band concert held every year.

The band showed itself in glorious, snappy reviews at all football games whether at home or out of town. They also had their annual roast at Side-Cut park and the usual Spring tour to all city grade schools.

It is said that "All good things come in small packages." A more fitting statement couldn't be found to describe the Waite orchestra. The outstanding talent here is recognized city wide and most certainly sometime in the future will be known nationally.

Because of the individual effort contributed by every member, the orchestra, under Miss Cecile Vashaw's direction, reached prominence. Some of the activities in which the orchestra participated in the 1945-46 season were the Y.M.C.A. meeting and the annual concert given March 15th.

They were also very willing to give up their time to go in groups to appear in radio programs or as a service to the community. Their annual roast was held at Pearson Park and proved to be a very gay affair.

The Glee Club of Waite consists of sixty-five girls who, under the direction of Miss Cecile Vashaw, practice every day during sixth hour in the school auditorium.

Each year the group sings for the P.T.A. and takes part in a radio program over W.S.P.D. On March 15th, they also had their place in the annual musical program along with the band, choir, and orchestra.

The Glee Club has a well known trio consisting of Betty Bergin, Gerry Norris, and Doris Teufel, who entertain delightfully with good harmony and unusual arrangements. The members of the club sponsored a dance March 8th at school, with Betty Bergin's orchestra furnishing the music.

The girls not only receive much pleasure from their singing, but also obtain a practical knowledge of musical theory and harmony.

This year there are forty-four members in the choir. Yes, that many in only its second year of existence. This group is a regular class meeting fifth hour and consists of students that have the ability and desire to sing.

The members of the Choir sang at many of the programs here at Waite. They took part in the Lincoln Day program, the Christmas program, and the Easter services. They also participated in the annual concert with the orchestra, glee club, and band on March 15. The singing, however, was not confined to programs at Waite. The group sang at St. Paul's Church, March 20 and before that had entertained at the East Toledo Club.

Of course the members did something other than sing. All of them had lots of fun at the roast held last fall at Pearson Park.

Miss Cecile Vashaw, director, has developed a fine group of singers that enjoys bringing good songs in excellent harmony to Waite audiences.

"Wanta buy a beanie?" This was the favorite expression of the Art Club members as they marched through the halls, during football season, selling Purple and Gold beanies with an Indian design on each. Jess Schnell worked out the clever design. This was done to build up school spirit for our football team and to create more interest for our school colors.

On October 11th, the Art Club sponsored the second Central mass meeting, which brought to life the famous characters from "Dick Tracy." The Christmas party and program, which was held at school, sent our members home, filled with food and the holiday spirit.

One of the high spots of the school year was the Art Club's annual animal dance. On April 26, the "Gopher Hole" Night Club was opened to the thousands of students, who danced and previewed the greatest floorshow in the land.

One of the most successful years ever experienced by the Artists was rounded out with their annual banquet at the Tally Ho Inn. Parting messages by the Seniors echoed the opinion of their younger companions — "There never was a dull moment in the Art Club, causing the year to be speedy, and a happy one." Many thanks, Mrs. Packer, for your interest.

"Parlez-vous francais?" No, but the members of the French Club do at their meetings, which are carried on in that language. Often the programs consist of a short play written in French. The outstanding speaker of this year was a young refugee who had recently come to the United States from France.

Each year scholarships are given to the most promising members of the club. Funds for these scholarships are raised by the annual skating party, which was held this year on January 29th at the Coliseum, and the collection of tax stamps.

To aid the war-torn countries of Europe, the members held a very successful clothing drive.

All activities were ably lead by their advisor, the ever-helpful, Miss Isabella Houk.

"Se declara cerrada la sesion." And thus ends another meeting of the Spanish Club, held every other Friday in Room 217.

The Spanish Club, now composed of more than sixty members, is one of the largest organizations at Waite, having risen from an obscure group to one of influence and prominence.

Aided by the untiring efforts of the advisor, La Senorita Bumgardner, much has been done by the club in the way of activities and programs to stimulate members interest in our Latin-American neighbors and to acquaint them with some of their customs.

This year, as last, the Spanish Club was active in promoting interest in our school colors, when purple and gold ribbons were sold by members in the hall alcoves.

Highlight of the social activity took place in May when the Spanish Club sponsored a Fiesta in the refectory for the Spanish students of Waite. This consisted of refreshments and various forms of entertainment, such as dancing and singing.

The year's activities were climaxed with the annual roast which was held at Pearson Park.

The cheerful voices of the Optimates, singing their closing song, echo through the halls on Friday afternoons as another of their successful meetings draw to a close. This year the Optimates is larger than it has been for many years, having sixty-four members. To qualify for membership, one must have at least three semesters of Latin and maintain a "B" average in this subject.

The Optimates were seen showing off their bright gold pins, which they were able to obtain for the first time in two years. Jean Graham and Ed Kieffer both deserve congratulations on having received the "Eta Sigma Phi" medal for successful completion of four years of Latin. This medal is a national honor. Verlyn Hosko also served as consul for part of the year.

Mr. Harry Ross and Mr. Louis Martin, a former student at Waite, were the featured speakers of the year. Other meetings were handled by the club members. A picnic was held in the spring as a climax to their season.

Miss Fon Boerger and Mrs. Delia Fortune, worthy advisors, are deserving of a citation for their personal interest in the welfare of the club.

To encourage friendship, to promote good feeling, and to help every girl in our school to be her best self is the motto of the Senior Friendship Club. The ideals of the club are taken from the Girl Reserve Code, which will help to make ideal Christian citizens of our members.

At the meetings held twice each month, the girls were given educational as well as entertaining programs. Among the speakers were Miss Frederickson from Locke Library, who reviewed the book "Legend of the Christmas Rose." The talk by Helen Parish, who was born in India, was unusual as well as interesting.

At Christmas time the girls prepared boxes, which contained pop corn balls and oranges, for the crippled children.

The members of the club wish to show their gratitude to their capable advisors Miss Louise Nelson and Miss Dorothy Gerding.

Have you heard a buzz of Freshmen and Sophomore voices the second and fourth Wednesday of each month in Room 217? If so, you know that this is the Junior Friendship Club of Waite whose purpose is to promote welfare to those in need.

Speaking of welfare, these girls helped to promote the sweater drive. In addition to this, they contributed generously to the American Friends Service Committee and they sponsored an annual party for the Lutheran Orphanage. Just to show the generosity and helpfulness of these friendly lassies, a movie on the U.N.N.R.A. was shown and the proceeds were gladly given to the Greek Relief.

The treasury of the club was increased by the selling of programs at the football games. Besides this, the first dance after a basketball game was sponsored by these girls.

The month of May comes and brings with it the installation of officers and the tea given in honor of the mothers.

The club wishes to express their thanks and appreciation to the advisors, Miss Virginia Hollinger and Miss Fay Marine, for their helpful guidance through the year.

The Home Economics Club was organized for girls interested in homemaking and in studying the changing ideas and methods of the housekeeper. The girls planned many activities this year and made their group one of the most active clubs in the school. The "Popcorn Ball" sponsored by the club, was given in February, after a basketball game. Carl Melm's orchestra furnished the music. The future homemakers of America proved that they are interested in serving others by making scrapbooks for the veterans in hosiptals.

One of the most important club activities was the St. Patrick's Party given for the Libbey Home Economics Club at the Navarre Park Shelter House. The girls made many new friends and everyone had a good time. In May the mothers of the members were honored at a mothers' tea.

Miss Naomi Rehfeldt and Miss Mary Buck, the club advisors, are alwayswilling to lend a helping hand and to give excellent suggestions for programs and activities.

"There will be a regular meeting of the Pro and Con today in room 120 immediately after school". Every other Tuesday something like this is said over the Public Address system.

If you should happen to go to that room after school you would see students that are interested in arguing about things concerned with national and international affairs. Two of the questions discussed were: "Is the use of the atomic bomb justified?" and "Should we have compulsory military training?"

All the members enjoyed the outstanding social event of the year, a hayride which was held at Pearson Park. The club also sponsored one of the dances that was held after a basketball game.

The advisor, Mrs. Ethel Kemp, was always ready with helpful suggestions for programs and activities.

Punctuality is the earmark of any good newspaper and it takes the combined efforts of a competent staff to bring about the regular distribution of the Sizzle, Waite's school paper.

A student council project, the Sizzle is a mimeographed two-sheet paper (consisting of 32 issues) and is printed by the students. Articles of special interest to the pupil are the Fifth Column, Scads of Fads, Spotlite, and many others.

Thus far the social activities have been few. The Editorial Staff acted as host to the Toledo Press Association and as usual gave their annual spring banquet.

Miss Mildred Cowell and Mrs. Victoria Canfield, advisors, would be an asset to any good newspaper.

As cheerful as the scrap-books they made for brightening dull hours in hospitals are the busy hearts and hands of the members of the Red Cross Club.

Under the supervision of Miss Elinor Tobin, the girls and boys filled chests with athletic equipment for boys overseas, sent forty Christmas boxes to children of devastated areas overseas, and made Christmas favors for institutions such as the Children's Home. Besides this, the club, which meets every day during sixth hour, has found time to contribute to the medical fund of Waite High School, sponsor a dance after a basketball game with the Junior Friendship Club, and help organize a city-wide Junior Red Cross Council.

For a comparatively new organization the Red Cross Club is certainly "in tune with our times."

"Gosh, Betty, what's the matter?" exclaimed Joan. . . . "Dog-gone! I wish I had a "W" like some of the girls are sporting. They surely are keen," Betty grumbled.

Someone ought to tell Betty that any girl can get a "W" if she works hard enough. Yes, I said works hard. You don't get an honor like wearing a "W" for nothing. A girl first joins the Athletic League and then earns the required number of points to become a member of the "W" Club.

The regular meetings are held on the first and fourth Monday of each month. Every Tuesday and Thursday the girls meet in the gym after school to play games such as basketball, volleyball, soccer and baseball.

The club had their annual Co-ed Prom on April 12. They elected the Queen in the earlier part of the evening and about an hour later the fellows arrived. Lots of fun was had at the inter-scholastic splash party when the athletic lassies from Woodward came here to swim. The club has plans towards the end of the year for a hayride and a banquet.

Through the untiring help of their advisors, Miss Marion Larkin and Miss Florence Peterson, the club has come through a most successful year.

Well, hubba, hubba, hubba — who's that man? Don't let that huge "W" scare you — there's a real, vitally alive, sports-loving fellow inside that sweater, and he's gained the right to wear that "W" by putting his whole heart into earning a varsity letter, in either football, basketball, track, swimming, baseball, cross country, or bowling.

They are all working to achieve one goal, to bring honor to Waite High School and firmly establish themselves in Waite's athletic hall of fame.

A few of the feats these boys are able to perform under the capable direction of Jack Mollenkopf and Claire Dunn are: boxing, weight lifting, wrestling, rope climbing, and muscle building exercises which are done by the athletes without a murmur except, perhaps, a call for "more!"

The annual wrestling show was given March 21, followed later by the "W" Club roast in May.

Because of after school jobs and sports, the weekly meetings of the Hi-Y this year were held in the evening at the East Side Y.M.C.A. For recreation, the members had access to the game room before and after meetings.

The membership this year was much larger and more active than in recent years. A Hallowe'en Party, a hayride, and a Christmas Party were held for the members and their guests. With the assistance of several other East Toledo Hi-Y organizations, the Sr. Hi-Y held a conference and banquet at Euclid M. E. Church on April 25th. Those attending participated in discussion groups of their own choice led by competent leaders. The Senior Friendship and Senior Hi-Y again presented the Easter program at Waite, April 12th. Several of the members represented the Hi-Y at the annual basketball and swimming tournaments held in the Central Y.M.C.A.

Much assistance, encouragement, and friendly advice were received from advisors Mr. Geyer and Mr. Brenner.

We're not predicting anything, but don't Carolyn Matthews and Al Hepler look cute? Just one method of torturing a poor Phil pledge. Cal Wood, a returned service man, graduated in January. Caught off-guard, Al Hepler, Jess Schnell, and Jean Brough listen to Miss Cosgray as she explains requirements for a particular annual layout.

1945 City Champions

WAITE 13 CENTRAL 0

Seeking revenge for last year's defeats, the Indians went scalp hunting on the gridiron and hung the Central Irish up by the score 13 to 0. The Indians generated their power in the third quarter to provide for their margin of victory. Gillespie, Gregus, and Campbell ripped the Central line to shreds with Campbell going over for both scores. Captain Clint Knitz and Jim Boyle were Waite's main defense.

WAITE 34 WOODWARD 0

The Indians worked as a championship team in their 34-0 triumph over the hapless Polar Bears. The touchdown parade was headed by Bill Gregus, with Caldwell adding four points by placement.

WAITE 6 LIBBEY 0

The Waite Indians continued on their merry way by ending the domination of the Libbey Cowboys over the city schools by outscoring them 6-0 in a sea of mud. Waite held a convincing margin in statistics and as a result gained undisputed possession of top honors in the city standing. A Canning to Gillespie pass set up the touchdown with Gregus barreling across for the tally. Clint Knitz and Elmer Scallish played a whale of a game on the line.

WAITE 27 DE VILBISS 6

Waite's strong eleven came out victorious by outclassing the DeVilbiss Tigers by a decisive score of 27-6. When the Tigers displayed power in the first half, the Indians stiffened defensively to go on to win. Bill Gillespie scored two touchdowns. Pat Kelley became the first Waite lineman to score this season.

WAITE 26 CENTRAL 7

Exhibiting power and deception, the Waite gridders fashioned an easy 26-7 triumph over Central Catholic. Bill Gregus, aided by fine blocking by Dawson and Boyle, sidestepped 66 yards for a tally in the opening period. Don Kowalka and Clinton Knitz, charging hard, blocked punts which set up other scores. Gregus, Gillespie, and Campbell alternated ball carrying with Gregus crossing the Irish goal three times.

WAITE 21 WOODWARD 0

Showing superiority in every phase of the game, the first string quickly ran up a lead of 21 points in the initial quarter. They retired to the bench early in the second quarter to watch the remainder of the squad battle the Polar Bears on even terms. The game was still in its infancy when Campbell and Gillespie broke loose for scores.

WAITE 27 LIBBEY 0

The Waite Indians decisively trounced the Libbey Cowboys 27-0, thereby eliminating any existing doubt of its supremacy in the city. The power-laden Indians possessed entirely too much all-around offensive and defensive power. In two games, the Cowboys were able to penetrate the Indian territory only once and that was for four yards. Campbell and Gillespie raced around end for scores while Gregus hit the center for his two touchdowns. The Indians exhibited terrific hitting power and blocked like professionals. Captain Knitz played his usual steady, dependable game at center.

WAITE 27 MANSFIELD 12

The state scholastic limelight was centered on the Waite-Mansfield game. Before a crowd of 6,500 fans the Tygers made Waite's bid for its eighth straight victory a rough one before bowing to our Indians 27-12. Bill Gillespie and Jim Campbell scampered 31 yards and 40 yards respectively around right end for scores. Bill Gregus' sharpshooting was outstanding as he fired two passes, for 60 and 35 yards, to Campbell and Gillespie who went 25 yards and 15 yards for touchdowns. The durable Knitz played this rugged game with a broken hand.

WAITE 46 DE VILBISS 0

Waite's slashing and smashing gridders romped for six touchdowns in the last half to overcome a determined DeVilbiss Tiger bid. End Bob Dedo scored the only touchdown in the first half on a pass from Gregus. Displaying their usual form in the second half, the Indians galloped to win with Gillespie, Gregus, Carson, and Schaetzke doing the scoring.

Row 4—Tom Williams, Bob Cook, David LaPlante, Tony Sager, Paul Klawitter, John Vargo, Bill Schoof, Walter Peppers, Bill Martin, Art Caldwell.

WAITE 52 SCOTT 0

Exhibiting a pulverizing running attack with practically impregnable defense, our Indians handed the Scott Bulldogs a humiliating 52 to 0 drubbing. The wind was cold and the Indians were hot. Bill Gregus, the city's leading scorer, went over for four touchdowns. Although Waite's entire forward wall performed in brilliant fashion, the work of Captain Knitz, Pete Vas, Jack Dawson, and Elmer Scallish was particularly noteworthy.

WAITE 0 CANTON LINCOLN 0

The Waite Indians' eleven game winning streak was snapped when a strong Canton Lincoln Lion team battled the Indians to a scoreless deadlock at Fawcett Stadium in Canton to determine the mythical state championship before 21,000 enthusiastic fans. It was a tough, hard-fought game between two evenly matched teams. Every member of the Indian eleven played good ball, with the work of Kowalka, Vas, Gregus, Scallish, Young, and Campbell especially outstanding.

Reserve Football

The Reserve football team under the coaching and direction of Mr. George Konnert experienced a favorable season, finishing in second place in city league competition.

In their first two games the Reserves gained victories over Woodward 19-0 and Central 14-13. The Indians ran up against Libbey and were subdued 6-0. With more experience and knowledge of the game of football behind them, the Waiters were able to triumph in their final city games defeating Scott 13-6 and rolling over DeVilbiss 19-0.

An exciting game was played under the lights against a heavier and experienced Clay varsity team. The Indians were leading at the half 7-6, only to be downed in the last quarter to lose 18-7. They closed a successful season traveling to Holland to triumph over their varsity 6-0.

Outstanding members of the squad were Myrice, Seemann, Lee, Carey, Papio, Wagner, Lippert, Sturgill, Antoine, Hodges, and Nauman. Carey and Lee were the high scorers.

Freshman Football

The Waite High undefeated Freshmen rolled over more experienced and heavier competition. Ninety-six green players answered the first practice call, with thirty-three being kept for the season. Perrysburg Freshmen and Lightweights, Whitmer Lightweights, and Clay Freshmen and Reserves all fell victims to our Papooses.

Steve Katich and Bill Thomas, fast and clever backs, and Joe H'lebar, Bill White, Paul Van Camp, and Don Smith on the line were instrumental in bringing such a fine record to the Waite Freshmen. Much of their success is due to the excellent coaching and training of Coach Steve Rohlfing.

Varsity Basketball

With apparently a good nucleus of lettermen from the previous year on hand, basketball prospects in November appeared good. However, as the season went on, repeated changes in the make-up of the squad acted as a handicap, and not until late season did the team settle down to consistent team play. Ball handling improved but the inability to cash in on scoring chances hurt. One good consistent scorer would have turned the result in several games, but this play was ever lacking. Team spirit was excellent.

At the beginning of the season the Indians met with heartening success, winning three out of the first five games. Waite fell before Libbey because of the lack of practice for the football players who had just finished their season at Canton. It appeared that Waite was headed for a successful season when they met their bitter rivals, the Central Irish, and let them down 29-28 in a great game. However, the Indian five was stopped and, although revisions in the lineup and other alteration in offense were made, the Waiters seemed unaccountably stymied.

Toward the end of the season they made a valiant attempt to snap out of their slump. Moving over to Scott, the Indians upset the heavily-favored Scott Bulldogs 28-26. The season concluded with the game in the district tournament. Libbey had to fight to win over a determined Indian five 35-33.

Bill Gregus was the team's leading scorer with Captain Jim Schaetzke performing creditably offensively and defensively. Rutherford, Roper, and Schnell are the graduating seniors who are turning the task of winning next year to Selee, Schaetzke, Gregus, Watkins, Seemann, and Nauman. All indications point to a team next year that will again put Waite among the forerunners of the league.

Coach Bill Fetters is to be commended for his untiring efforts and interest during such a discouraging and disappointing season.

Reserve Basketball

The Waite reserve basketball team finished an exciting season in a second place tie with Woodward in the city lightweight league, accumulating a record of 10 won and 6 lost. Thrillers were won from Fremont 23-21, Central 28-24, DeVilbiss 19-17, Scott 29-26, and Woodward 26-25 and 29-28. Waite was the only team to down Woodward twice this season.

The regular five consisted of Lee, Nesteroff, Nauman, Seemann, and Martin with Carson, McMorgan, Wright, and Sendi performing capably as replacements. Seemann and Martin were tied for top honors in scoring with Nauman finishing the season strong. These three players were promoted to the varsity after the end of their season for the district tournament.

A great deal of credit for the success of this team is due to George Konnert, who took his men in hand early in the season and by rigorous training combined with individual coaching developed a team that will eventually win more laurels for Waite.

Freshman Basketball

The Freshmen, due to the handicap of practice conditions, played a shortened schedule. No league team defeated them twice, while a double win was gained over Scott. No games were dropped during the latter half of the schedule. These boys rate much praise for the spirit exhibited by their willingness to wait day after day for practice time following varsity workouts.

Spencer, Dukes, Yenrick, Horst, and Hansen, the starting five, showed promise and improvement as the season advanced. The regular substitutes, Young, Whitson, Furman, Myrice, O'Shea, and DeArmand, also saw action in several games. The entire squad had plenty of pep and enthusiasm.

It has been the policy of Coach Fetters to work long hours with the Freshmen, thus forming the nucleus of a future championship team. He deserves much credit for his work and patience with these youngsters.

Cross Country

Winning its fourth consecutive city championship and its second straight district title made the '45 team a worthy successor to the ones of other years. Unbeaten in the city since 1941, this team also triumphed over Fremont, Findlay, Old Fort, and Monroe, Michigan. Led by Bob Petrie, who climaxed four years of fine effort by a fifth in the state meet, the team also featured Dick Henderly, Charles Rutherford, John Weaver, Bill Selee, Bill Watkins, Lee Cypher, Willis Keese, and Richard Sheets. They were pushed by a large squad of runners, many of whom will be heard from in the future.

Both the cross country and track teams were again coached by Mr. Fetters.

Track

With seasoned material lacking, the track team met with only mediocre success. Weakness in the sprints, hurdles, pole vault, and high jump could not be overcome by the strength in the weights and distance runs. Consistent point-getters were Dick Witty in the shot and discus, Bob Petrie in the mile and 880, and Dick Henderly in 440 and broad jump. The coming season holds a giant question mark for those whose forte is track.

Row 2—Mr. Leu, Calvin Stover, Gordon Volkers, Jack Huffman, Dean Althouse, Coach Rohlfing, James Rolf, Don Stewart, Jess Schnell, Lewis Cross, Dwight Gould

The umpire yelled "Play ball!" as baseball was again resumed as a competitive sport at Waite. Many eager players took up the bat to defend the city title, but Lady Luck just wasn't with the green Indians. Coach Rohlfing's team played several outstanding games, defeating Whitmer, the defending district champ, 14-1, in five innings unloading a barrage of ten hits; they later rallied for a 12-6 win over Temperance, Michigan, with Steve Contos clouting out two homers. The highlight of the season was a 4-3 win over Macomber, the district champs. This win knocked Macomber out of a full share of the city title. Lewis Cross hurled a five-hitter while striking out twelve batters. Bill Gregus was the team's leading batter. An experienced team is returning for the present campaign with a brighter season forthcoming.

Golf

Coach Melvin Stocks hopes to renew interest in golf this year. For the past several years, Waite boys have not actively participated in golf, but a team seems to be likely this spring. Only three players, Bob Sager, Pete Vas, and Dick McDonald, reported for the regular matches last season. These boys were joined by Pat Kelley to take part in the district tournament.

Bowling

More students than ever before are following bowling at Waite. This year Waite entered three teams for league play, the Indians, the Nationals, and the Americans. The Nationals finished third in their league and the Americans finished third in the roll-off. High scorers were Sager, Feudi, Horvath, Brooks, Greisiger, Jensen, and Sendi.

Row 1—Bob Sager, William Tinta, Dick Fitch, Bill Pollock, Claire Dunn.
Row 2—Don Jensen, Paul Billan, Al Feudi, Guido Tambur, Wayne Kinsel, Bill Brooks.
Row 3—Louis Sendi, William Greisiger, Lewis Cross, Jack Huffman, Ed Arvay, Jack Baumgartner.
Team captains: Americans, Bob Sager; Indians, Louis Horvath; Nationals, Bill Greisiger.

WHAT MAKES A CHAMPION TEAM?

This is to the little fellows, the unnoticed "bench-warmers" who were out in the heat, mud, wind and cold, who worked just as hard as the lettermen, and usually harder for they were the testing ground for the varsity. They were the boys who were out on the field every afternoon after school playing and sweating for three or four hours and then home for homework. The point is this: they were loyal to the team without hope of reward—no letter for third stringers; loyal because they knew glory meant work and the varsity man of tomorrow is the scrub of yesterday. Now you've heard about the scrub, next year you'll hear from the varsity man.
